

Dollars Down the Drain: Where Could The Money Go?

Instead of spending \$195,000 on attorneys' fees to defend frivolous lawsuits, a school district could spend the money on---

- **hiring 3.5 curriculum support specialists**
- **130 laptop computers and projection panels that allow the IEP to be shown to all members during IEP meetings**
- **3927 occupational/physical therapy assessments**
- **3900 hours of speech language services**
- **7325 hours of transition services**
- **842 psychological evaluations (7 hours average)**
- **390 FM amplification systems**
- **933 TTY/TTD telephones (telecommunications devices)**
- **989 preschool language assessment instruments**
- **150 brailers/tactile printers**
